

Cordial Invitation

The social club "Friedenstunnel - Bremen setzt ein Zeichen e.V." invites you and your family and friends to:

"Tunnel - Meeting 2018 - for diversity, tolerance and understanding"

International Summer Festival of Cultures under the slogan " Peace is starting small "

Date: Sunday, August 05, 2018

Time: 2 until 6 pm

Location: in the blocked "Peace tunnel" (Rembertitunnel), Parkstraße

Since the opening of the artistically redesigned "Peace tunnel" three years ago, we have filled the tunnel with life in many ways: as an educational venue for school classes, for study programs at the Universities of Bremen and Oldenburg and also for young people from eight nations of the Sandbostel youth work camp as well as through our music format " Peace sounds in the Peace tunnel - every Sunday at 12 o'clock ".

We would like to welcome the tunnel's neighbors as well as all sponsors who have been supporting us for years to come to the "tunnel encounters". As in 2016, we would like to give a special welcome to the people who had to flee their home country and found a new home in Bremen at the "Summer Festival of Cultures".

Opening: Regina Heygster, 1. Chairman

Welcome: Dr. Carsten Sieling, Mayor of Bremen

Various live music with vocals

Coffee, cake and softdrinks, free

Children's play area

Our slogan this year is: "Peace is starting small" - are you in?

We look forward to all guests from different cultures, the neighbors of the tunnel, as well as all the others who come to us from Bremen and surroundings on this day.

Herzliche Grüße
social club
